Standards of business conduct

This is reflected in our Code of Conduct, which forms the foundation of the Company's policies and procedures on key topics such as sound employment practices, personal data privacy, ethical business conduct and whistleblowing.

These policies are regularly communicated to the Board of Directors, employees, and business partners to ensure a shared understanding of their role in preventing unethical or illegal behaviour.

Mandatory training sessions on the Code of Conduct are conducted for employees. These training sessions cover key topics such as principles of ethical conduct, detailed scenarios to illustrate appropriate behaviour and practical guidance on addressing workplace challenges.

Anti-bribery and corruption

The Venture Group forbids any any form of inducement, bribery or corruption and is committed to conducting our business in full compliance with applicable laws.

As stated in our Anti-Bribery and Corruption Policy:

- Gifts to public officials are strictly prohibited and entertainment for public officials should be modest and reasonable.

This is supplemented by our Gifts and Business Entertainment Policy which regulates the receipt and provision of corporate gifts and business entertainment to external persons, and our Supplier Code of Conduct which prohibits our suppliers and their supply chain from engaging in any form of bribery or corruption.

All reports or complaints of violations of the Anti-Bribery and Corruption Policy are investigated in accordance with the process set out in the Whistle-Blowing Policy.
